SAILS is expanding!

Learn about our popular College 101 class and our newly added Pre-ETS (Pre-Employment Transition Services) program, both offered during the summer quarter.

Want to get a job?

Find out how to identify your strengths, how to write a resume, how to fill out applications and how to do a successful interview.

Want to go to College?

Find out how to register for college, how to manage time and assignment deadlines, how to ask for and receive help, how to make friends and be part of a team
